

Food Flags

Fold over skewers or toothpicks to decorate or name foods. You are given both blank and decorative flags for your use. Enjoy!

lilshannie.com 

Decorative Halloween flags with the word "Halloween" and various icons: bats, witch hats, Frankenstein's monster, cauldrons, pumpkins, and black cats. Each flag has a central blank space for writing.

Two vertical banners. The left banner features the word "Halloween" written vertically in a decorative font, flanked by Frankenstein's monster icons. The right banner is a blank white space with a scalloped edge, intended for writing names.
