

Father's Day Banner Directions

Banner Directions

Best when printed on 110lb cardstock.

Print multiple letters to create your own words like the examples below.

Cut out each letter and use double sided tape or glue to attach each letter to the circle shaped banner. Then cut out each decoration piece (football, basketball etc.) and add them to your banner.

Once you are finished designing your banners, cut a hole in the top of the right and left of each banner to place yarn, string or ribbon through. If your banner piece slides, add tape to the back of the banner to hold it to the ribbon, string or yarn.

Word Examples:

Happy Father's Day

Dad's Day

Happy Dad's Day
